

"It is with deep and profound sadness that we report the news that Robin Shivers passed away in her sleep last night. Mrs. Shivers was a long-time friend and supporter of The Seton Fund and the Daughters of Charity. Together with her husband, Allan Shivers, Jr., she generously contributed her time, talent and energy toward a great number of Seton initiatives over the last 28 years.

She served as president of the Seton Development Board and chaired one of its galas during her many years as an active volunteer. Mrs. Shivers served on the Seton Finance Committee and was also instrumental in the development of the Health Alliance for Austin Musicians (HAAM), having served on its board since its inception.

Beautiful, stylish, smart and passionate about the many causes she supported, Robin left an indelible mark on everything she touched. She will be greatly missed by all who were blessed to know her.

Our thoughts and prayers are with the Shivers family."
